

Mrs. M. E. Mc Gill.

Emerson,
Iowa.

Glennwood, July, 11.

Dear Mother,

I will try and write you a little I received the shirt all O. K. and was very glad to get it.

Pattie is not so well as she was she was not so well yesterday and today, I see no difference between yesterday and today except that she is weaker and all her symptoms seem a little worse. but I don't think that they realize how bad she is, Mamma I will not come home when Carrie does as Pattie is real anxious that I should stay. and I want to do all that

I can for her.

Please get some stuff like my black callico dress, not the one you gave me but the other I got it at G. Hunt, and make new sleeves, make them like Carrie's full sleeve pattern only make them longer.

My wrapper is very dirty and I have nothing to work in. If you get it fixed before Carrie comes home please send it, I would like it by Saturday if possible as I don't like to work in my other dress.

We are getting along real well with our studies. the instructors are all good but one, and I almost hate

him.

We attended a real good lecture last night, they have something going on almost all the time. there is going to be an entertainment in the Baptist church but I don't think I will attend, for we have lots of studying to do and I have to sleep some.

well I will let Corrie finish this.

I don't know what Louie has written but I'll write whatever I think of. I miss the organ

so much I've almost forgotten what old Remmers looks like. I saw Oscar today and asked him about

the schools he said for me to let him see my certificate

so I'll take it to him in
the morning and I guess
I'll find a school some-
where. I got a letter from
Kit yesterday it was just
a corker. Did Mavis
come to Glenwood? I have
looked for her every day
but didn't see her. We all
had our pictures taken today
and yesterday the citizens of
Glenwood furnished mayors
and took the teachers for a
ride all around Glenwood.
I rode with Mr. Potter the
county clerk. But there's
a big joke about it I'll
tell you when I come home.
I wish Hattie was well poor
girl! Some think she'll
never get up. Louie & I

went up on the hill Sat.

Every one seemed glad to see me. Jim Harvie is there. Carine wasn't there they said he was in C. Bluffs - but I run on to him yesterday morning he said he was on his way to Denver. He said that he saw by the paper that I was attending Institute and he thought he'd get to see me. Carrie Moor is married, Mae Powell & I just stood and "cussed" about it. They've made lots of changes since I've been there. I couldn't begin to write it all. Dra Miller & Miss M^c Murr were married the 3rd of this

month. Crazy Kate and
Mark Benson are both
dead. — I must close
as I have to study my
lessons & several small
things. Write soon

Yours loving daughter
Carrie.
